DISTRICT V VOLLEYBALL FORMAT - 2023

2023-24 P.I.A.A. DISTRICT V RANKING SYSTEM

A. POINT SYSTEM – SPORTS WITH 4 OR FEWER CLASSIFICATIONS (Volleyball)

1. A team receives 4 points for a win
2. Bonus points are awarded on the following basis:
 - 1 point awarded for a win over a class A school, total 5 points**
 - 2 points awarded for a win over a class AA school, total of 6 points**
 - 3 points awarded for a win over a class AAA school, total of 7 points**
 - 4 points awarded for a win over a class AAAA school, total of 8 points**

B. ADDITIONAL POINT SYSTEM INFORMATION – ALL SPORTS

1. No points are awarded for a loss regardless of opponent's classification.
Victories over out of state opponents will receive the same bonus points from that sport's PIAA classification system. The Principal and/or Athletic Director will secure in writing from the out of state opponents the current enrollment of males and females eligible to participate from grades 10-12 in the year in which the contest will be held. District 5 schools shall list the enrollment beside the opponent's name on the District 5 Rating Sheet. Victories over non-P.I.A.A. opponents will receive the lowest point total awarded in that classification for a victory.
2. Tournament games, scrimmages, and exhibition games (example: alumni games) do not count in ranking.
3. Forfeiture of a contest will be governed by P.I.A.A. rules.
4. Rankings are based on all school schedules that are turned into the District V Statistician by the first legal starting date for that sports season. If games are lost by a school because a scheduled opponent disbands their team before the first legal play date, they may schedule other games for ranking. If games are lost by a school because a scheduled opponent disbands their team after the first legal play date, they may receive forfeits for the games lost.
5. In order to be considered for ranking purposes, in District 5 Playoffs, a minimum number of contests must be played against PIAA member schools or non-PIAA schools that are in good standing with their respective National Federation of State High School Association and member state high school association. It is the responsibility of District 5 member schools to insure that all contests submitted meet PIAA and District 5 rules:
6. Schools must complete a minimum of 60% of the PIAA maximum number of contests allowed as set forth in the PIAA Constitution & By-Laws.
7. Tournament matches, scrimmages, and exhibition matches (ex. Alumni Games) do not count in ranking. A PIAA member school is permitted to participate in a maximum of **22** volleyball competitions based on the following method of counting volleyball competitions: **1 team**

competition for each dual match: **2 team competitions** for each quadrangular match, for each triangular match, and for each tournament involving 3 or more teams. A minimum number of 14 matches must be scheduled.

8. Tie breaking procedures would be as currently established. (See Handbook)

2. All schools with a .500 record have the right to advance into the Class A and District Tournament, possibly through a play-in system. All AA schools will be invited to participate in the AA District Tournament.
