POLICY REGARDING PIAA-APPOINTMENT OF MEMBERS OF BOARD OF DIRECTORS AS INTER-DISTRICT PLAYOFF CONTESTS SITE MANAGERS AND THEIR RELATIVES SERVING AS EVENT PERSONNEL

PIAA shall provide for members of the PIAA Board of Directors to be appointed as site managers of inter-district playoff contests whenever the involved member is the Chairperson of that sport in the PIAA District in which the contest is being played, or has been designated by that chairpersons.

PIAA shall restrict immediate family members of the members of the PIAA Board of Directors from serving as event personal at inter-district playoff contests, except in urgent situations.

PIAA CONFLICT OF INTEREST STATEMENT

The Board of Directors of the Pennsylvania Interscholastic Athletic Association, Inc. (PIAA) requires that each person serving as a member of the Board of Directors, a District Committee, or an agent or employee of the PIAA, perform his or her duties without influence or the appearance of influence by any other business or financial interest of such person.

Potential conflicts of interest include, but are not limited to, a person's direct financial interest in a company or product which could be affected by a decision of the Board of Directors or a District Committee on which the person serves.

The PIAA is not critical of such interests. It merely requests that persons disqualify themselves from PIAA decisions on matters relating to such interests.

If a member of the Board of Directors, a District Committee, or an agent or employee of the PIAA, should have or develop a conflict of interest, such person shall:

- 1) Immediately identify the conflict in writing to the president and/or executive director, or the District Chairman, as applicable; and
- 2) Remove himself or herself from any discussion or decisions involving the matter in conflict.

In case of doubt about the existence of a conflict, a member should submit the question and the relevant facts to the president and/or executive director, or the District Chairman, as applicable, for a decision.

SEASONS AND OUT-OF-SEASONS RULES AND REGULATIONS

*** * * Section 4. Mixed Gender Participation.** PIAA strongly supports and encourages participation by both boys and girls in interscholastic athletics. Based upon real and demonstrable physical and competitive differences between similarly aged and trained high school boys and girls in athletic performances, PIAA recognizes that combining genders for competition purposes would have a chilling effect on female participation in interscholastic athletics. PIAA further recognizes that, historically, girls' participation has been much more limited than boys' participation. To promote participation by the historically underrepresented gender in a fair competitive environment, PIAA, therefore, classifies sports by gender and limits mixed gender participation as follows.

- A.** If a school has a Boys' Team in a sport, boys at the school are not eligible to play on the school's Girls' Team in that sport. If a school has a Girls' Team in a sport, girls at the school are not eligible to play on the school's Boys' Team in that sport. The Principal may waive this limitation for a girl seeking to play on a Boys' Team if the Principal believes that the girl's skill level is such that participation on the Girls' Team would not provide meaningful competition for the girl.

- B. Girls may play on a Boys' Team if the student's school does not sponsor a comparable Girls' Team in that sport. NOTE: softball and baseball are not viewed as being comparable sports. Despite some differences in rules, boys' volleyball and girls volleyball, as well as boys' lacrosse and girls' lacrosse, are viewed as comparable sports.**
- C. Boys may play on a Girls' Team if the student's school does not sponsor a Boys' Team in that sport and the Principal determines that;**
- 1. the overall boys' athletic program at the student's school provides fewer opportunities for boys to participate than for girls;**
 - 2. the boy would not displace any girl from the Team's roster;**
 - 3. the boy would likely not, due to his physical size, athletic ability, and/or other characteristics, pose an increased risk of harm to opponents beyond that which would be posed by an average-sized and skilled participating girl; and**
 - 4. the boy would not provide his Team with a significant competitive advantage (as applicable herein, this means that the boy's participation would likely cause the Team to be noticeably more competitive than it would be without the boy's participation on the Team).**

In considering whether to permit participation, with regard to factors 3 and 4, above, the Principal shall be guided by the following:

- a. Where there is a question as to the risk posed to opponents or to a possible significant competitive advantage to the Principal's Team, such questions should be resolved in favor of the health and safety of opponents and in favor of preventing significant competitive advantage.**
- b. Due to the increased risk of injury to opponents in direct contact sports (field hockey, lacrosse, soccer and volleyball), particular scrutiny should be applied by the Principal to requests in these sports.**

Notwithstanding any other provision in this Section, boys are permitted to participate on a Spirit Team without Principal approval.

- D. Rules applicable to Mixed Gender Teams: Because PIAA does not have a Mixed Gender classification, the following provisions govern participation by Mixed Gender Teams:**
- 1. for Post Season purposes, Mixed Gender Teams (other than in the sport of Spirit) shall compete only in the sport classifications designated for boys.**
 - 2. For enrollment classification purposes, a Mixed Gender Team shall be classified by using the school's enrollment number for whichever gender constitutes a majority of the Team members.**
 - 3. In the sport of volleyball, a Mixed Gender Team shall play during the boys' Regular Season and Post Season.**

- E. Where a student's gender is questioned or uncertain, the decision of the Principal as to the student's gender will be accepted by PIAA.**
- F. Nothing in this Section shall be interpreted to require a school to have a Mixed Gender Team where such participation would be inconsistent with the school's religious beliefs.**
- G. The refusal of a Team to participate in a Contest against a Mixed Gender Team shall result in forfeiture of the Contest by the Team which refuses to participate. In sports in which individual events or matches are conducted, refusal of a contestant to participate in any event or match will result in forfeiture of that event or match by that student and not by the Team.**

*** * * GLOSSARY * * ***

BOYS' TEAM: A Team consisting of all boys.

GIRLS' TEAM: A Team consisting of all girls.

MIXED GENDER TEAM: A Team consisting of both boys and girls. Participation of both boys and girls on a Team in any Contest during a season causes the Team to be considered as a Mixed Gender Team for that season.

District 5 Policy on Forfeits

PIAA District V member schools develop their own Regular Season schedules in each sport through their own scheduling, joining local leagues, conferences and/or schedules prepared by a District Committee. Consent to accept such a schedule **commits** the school to participate in Contests as scheduled.

Understanding that when schools in District V have scheduled non-PIAA or out of District 5 competition that they can't always control that a game is rescheduled and played. Generally if games are not played they will be considered a "no contest" unless there are circumstances warranting a forfeit.

Except as otherwise noted, the following rules govern situations in which schools shall or may be required to forfeit a Contest.

1. The failure of a Team to participate in a Contest shall constitute an automatic forfeit, regardless of the reason(s) thereof, unless the school not participating convinces the District Committee and/or its Authorized Designee that its failure to participate was unavoidable, in which event the District Committee and/or its Authorized Designee may treat the matter as if the Contest had not been scheduled.
2. A forfeit constitutes a loss for the Team school not participating and a win for its opponent for purposes of records, standings, and eligibility for playoffs.
3. A forfeit is not subject to refusal by an opponent.
4. Schools may voluntarily agree to terminate a contract for a Contest, in which event the matter shall be treated as if the Contest had not been scheduled. In Districts in which scheduling is done by or pursuant to the authority of the District Committee, permission of the District Committee or its authorized designee shall be required for failure to participate to be treated as if the Contest had not been scheduled.
5. Schools may agree to reschedule a Contest which was not or will not be played at the scheduled time, in which event the failure to play the Contest at the originally scheduled time shall be treated as if the Contest had not been scheduled to be held at that time. In Districts in which scheduling is done by or pursuant to the authority of the District Committee, permission of the District Committee or its authorized designee shall also be required for rescheduling of a Contest.
6. When a Coach has been disqualified from a Contest but fails to leave the vicinity of the competition area, resulting in the termination of the Contest, the Contest shall be forfeited to the opponent.
7. Except as otherwise provided in "Forfeiture of Contests", provisions of the official rules for sports in which PIAA member schools participate, which relate to forfeits of Contests, shall apply according to their terms.

October 5, 1984, as amended January 29, 2005. If a school receives a forfeit from an opponent, the school receiving the forfeit may schedule another Regular Season Contest in lieu of the forfeited Contest. The school must then use the results of the played Contest, rather than the forfeit, for its record. The forfeiting school must still record a loss by forfeit.

District 5 schools shall list the enrollment beside the opponent's name on the District 5 Rating Sheet. Victories over non-P.I.A.A. opponents will receive the lowest point total awarded in that classification for a victory.

6. Rankings are based on all school schedules that are turned into the District V Statistician by the first legal starting date for that sports season. If games are lost by a school because a scheduled opponent disbands their team before the first legal play date, they may schedule other games for ranking. If games are lost by a school because a scheduled opponent disbands their team after the first legal play date, they may receive forfeits for the games lost.
7. In order to be considered for ranking purposes, in District 5 Playoffs, a minimum number of contests must be played against PIAA member schools or non-PIAA schools that are in good standing with their respective National Federation of State High School Association and member state high school association. - Schools must complete a minimum of 60% of the PIAA maximum number of contests allowed as set forth in the PIAA Constitution & By-Laws. Basketball & Volleyball - 14 contests

- Greatest number of wins, excluding tournaments & exhibition games (example: Alumni Games)
