District 5 schools shall list the enrollment beside the opponent's name on the District 5 Rating Sheet.

F. Rankings are based on all school schedules that are turned into the District V Baseball statistician by the first legal playing date for the season, and no games added after the season begins may be counted

G. Ranking is in order of total points accumulated divided by the number of games played, excluding tournaments, scrimmages, and exhibition games

H. Forfeiture of contests will be governed by PIAA rules

V. Tie Breaker System for Ranking Only

A. Head-to-head victor if the teams played each other

B. Winning percentage versus all common opponents in all games played (regardless of the number of times two schools play each other)

C. Bonus points as calculated by wins by defeated opponents divided by games played

D. Winning percentage calculated by wins divided by games played. Ties count as half.

E. Greatest number of wins, excluding tournaments

F. Coin toss at a site convenient to both schools

VI. The following play-in scenarios will exist if more than eight teams qualify for the playoffs:

Teams will play on the play-in date to determine which team enters the playoff brackets.

- If nine teams qualify, team #9 would play team #8 at team #8's home field. The winner of that game would move to the #8 spot on the bracket.
- If ten teams qualify, team #7 would play team #10 at team #7's home field, and team #8 would play team #9 at team #8's home field. The winners would enter the regular bracket.
- The Tie Breaker System does not apply to teams finishing with an identical ranking that are required to play a playoff game. Teams with identical rankings in a play-in scenario will play at a neutral site.

VII. School Hosting Status

- Fannett-Metal has the same hosting status as any other District V school

- In AAA, Districts 5 and 9 have equal hosting status. The championship game will be at a neutral site within the district on a rotational basis (2025 in District 9 and 2026 in District 5).
