Schools that do not sponsor the sport, but have athletes that wish to enter the tournament must have a completed PIAA CIPPE Form, and be accompanied by an approved coach.

Players that are eliminated from the Single's Tournament may participate in the Doubles Tournament.

The top four teams will qualify for the team tourney. The top two teams will host the first round match, with the finals being held at the higher remaining seeds home court. I would like to have your completed rating sheets emailed to me every Monday from this point forward so we can publish the rankings on a weekly basis. Each qualifying team must provide a ladder lineup form on the Monday of the Singles Tournament for my approval and we will use that form for the duration of the Tournament.
