

District 5 Athletic Director's Association - 2022-23 Scholarship Program Winners

During the past seventeen (17) years, the District V Athletic Director's Association has awarded eighty (80) total scholarships, totaling \$73,000.00 to deserving District V student athletes. Proceeds from the District V Committee itself, our Annual District V All Star Basketball games and money generated from donations at numerous District V Championship events support our scholarship fund. The public's support of our All Star Game, and donations, enable the District V Athletic Director's Association to award scholarships annually to deserving District V student athletes. Much gratitude for your continued support!
